Dear Parents,

The Department of Education and Youth has launched the National Conversation on Education Survey to gather views on the future of education in Ireland. The findings will help shape the agenda for the [Convention on Education](#) taking place later this year. The Convention on Education is a once in a generation opportunity for children, young people, parents, educators and wider society to help shape Ireland's education system for decades to come.

The survey is open to everyone and takes approximately fifteen minutes to complete. You can access it at the link below:

Yours faithfully,
