Don't forget to bring in finished books and choose a new book from our station!

# Table Tennis

Over the last two terms we have learned a new skill- Table Tennis!! We have had great fun participating in a table tennis league at lunch times on mixed teams. We hope to have table tennis leagues for our Active Schools Week in May ! We will put our skills to the test!

# Soccer League

We are doing a soccer league from Junior Infants to 6th class for our last term. It is great to include another sport as we have had our football with the school and table tennis. It's great to try out something new. It is on for the last term from April to June! We hope to see great skills on show!

## A Pupil's guide to inspection in primary schools

At our last Student's Council Meeting we discussed the document *A pupil's guide to inspection in primary schools*
