

# Father's Day (and Father Figures) Vouchers

Create Father's Day vouchers for your dad (or stepdad, grandad – anyone to whom you would like to show your appreciation). Write down things you can do to help at home or activities you can do together, then illustrate the vouchers. Cut the vouchers out and attach them together on the left-hand side. The recipient of your vouchers can then redeem them whenever he chooses. Some vouchers have been created for you, which you can use as inspiration or in addition to your own.
